Beskrivning

€3,400,000

Breath-taking Mansion located in Murcia where there are 315 sunny days a year, consisting of 6 bedrooms, 7 bathrooms, a construction size of 800m² (The large house is 655 m² and the smaller house is 95m²) and a 7364m² plot (655m² of which can be used for new construction), located on a hill 260 meters above the Mediterranean Sea.

Each of the 7 bedrooms has its own bathroom, plus there is a further bathroom on the ground floor. On the first floor there is a gigantic fully equipped, luxury kitchen (featuring detailed industrial stoves, a 2 meter long extractor hood, two refrigerators, two dishwashers, etc...), several rooms to store clothes of various seasons (including a climatized leather room) and an elevator where you can access all three floors of the house. On the second floor there is a huge office and terrace with incredible views of ALHAMA to ORIHUELA, as well as an underbuild that has a games room featuring a professional pool table.

Within the 7.500m² plot, there is another 95m² house for the live-in staff (which is made up of three fantastic employees, two of them are in charge
